## How Long We Keep Information

We may keep information that we collect for an unlimited period of time.

## Security

Please note that electronic communication, particularly e-mail, is not necessarily secure against interception. Please **do not** send sensitive data (e.g., Social Security, bank account, or credit card numbers) by e-mail or web forms.

## Cookies

We may use cookies in order to customize this site for return visitors. These cookies are not required for site functionality. Additionally, third-party widgets such as YouTube or Flickr may install cookies depending on their configuration. You are not required to accept any cookies to use this site.

## Google Analytics

We may use a tool called "Google Analytics" to collect information about use of this site. This may allow your web browser to automatically send certain information to Google, including, for example, the web address of the page that you're visiting and your IP address. Google may also set cookies on your browser or read cookies that are already there. Any information we collect from Google Analytics is only used to understand or improve how visitors engage with this website.

Google's ability to use and share information collected by Google Analytics about your visits to this site is restricted by the [Google Analytics Terms of Use](#) and the [Google Privacy Policy](#).

You can prevent Google Analytics from recognizing you on return visits to this website by [disabling cookies on your browser](#) or by using the [Google Analytics Opt-Out Browser Add-on](#).

In addition to Google Analytics, we may use another Google-provided tool called "ReCaptcha" which, on some form submissions, is intended to tell humans from robots in order to prevent spam and abuse of those forms. The ReCaptcha tool may, in its algorithm, make use of cookies as well as other information like Internet Protocol address, date, time, language, screen size and resolution, and mouse movements while on the page.

The ReCaptcha tool is subject to the same [terms of use](#) and [privacy policy](#) as Google Analytics. Google also offers more information on [how Google uses data on websites using Google technologies](#).
